Read Hebrews 12:7-11. What are some ways God disciplines us? How do we try to get out of discipline?

It what ways does God provide for you?

Read 1 Corinthians 13:11. How can we do away with childish things and still come like a child?

What kind of relationship do you think God wants to have with His children? What do you think is your next step to help that happen?

Read Ephesians 5:1-2. To you, what is the key to those verses?
