Small Group Questions

Think of a time when someone showed you mercy.
What was it and how did it make you feel?

If you are willing, describe a situation where someone
deeply wounded you. What would an adequate
punishment be for them? In other words, what would
bring justice.

Read the parable of the unforgiving servant in Matt 18.
In light of the first two questions is there anything that
jumps out at you?

What is your biggest fear in showing mercy?

Is there a situation in your life right now that we can
help you with in the area of mercy?
